## SCRATCHES

PRELIMS – There is no penalty for scratching on the block in the Preliminary events with the exception of deck-seeded events. Any swimmer entered in an individual event that is “deck seeded” who has checked in for the event, must swim the event unless he/she notifies the clerk of course before the seeding for that event has begun, that he/she wishes to scratch. Failure to do so and not swim will result in the swimmer being barred (scratched) from the next individual event (preliminary or timed final) in which the swimmer is entered. Declared false starts will be accepted from the swimmer prior to the start of the heat.

FINALS – Any swimmer who competes in a preliminary heat and qualifies for either championship or consolation finals and fails to swim in the final without notifying the Meet Referee that he/she may withdraw from the finals within thirty (30) minutes after the announcement of qualifiers for that event and further fails to declare his/her final intention within thirty (30) minutes of his/her last individual preliminary event, will be penalized by being automatically scratched from their next individual final or individual event, whichever occurs first. The Referee may insert the next eligible swimmer into Finals or Consolation Finals once a “failure to swim” is declared and in any vacant lanes resulting from the penalty. Declared False Starts in Finals will be considered a “failure to swim” and will draw the same penalty. In the event of an illness or injury, certified to the satisfaction of the Meet Referee, there will be no penalty.
