Entry Limit: Entries will close upon receipt of the team that puts entries over the four hour time limit per session. Prelim/finals swimmers are limited to three (3) individual events per day. Timed final swimmers are limited to four (4) individual events per day or a maximum of 8 events for the meet plus relays.

Seeding: 25 yard short course times will be used for seeding. Conversions may be made using the formula in the current Florida Swimming Handbook.

Scratch Penalty:

PRELIMS- No penalty for scratching on the block in the Preliminary or Timed Final events with the exception of the deck-seeded events. Any swimmer entered in an individual event that is "deck seeded" who has checked in for the event, must swim the event unless he/she notifies the clerk of course before the seeding for that event has begun, that he/she wishes to scratch. Failure to do so and not swim will result in the swimmer being barred (scratched) from the next individual event (preliminary or timed final) in which the swimmer is entered. Declared false starts will be accepted from the swimmer prior to the start of the heat.

FINALS- Any swimmer who competes in a preliminary heat and qualifies for either championship or consolation finals and fails to swim in the final without notifying the Meet Referee that he/she may withdraw from the finals within thirty (30) minutes after the announcement of the qualifiers for that event and further fails to declare his/her final intention within thirty (30) minutes of his/her last individual preliminary event, will be penalized by being automatically scratched from their next individual final or individual event, whichever occurs first. The Referee may insert the next eligible swimmer into Finals or Consolation Finals once a "failure to swim" is declared and in any vacant lanes resulting from the penalty. Declared False Starts in Finals will be considered a "failure to swim" and will draw the same penalty. In the event of illness or injury, certified to the satisfaction of the Meet Referee, there will be no penalty.

Entries: Entries must be in USA Swimming SDIF format or Hy-Tek CL2 format. TU Touchpad entries also accepted. Corrupted, unreadable, or incorrectly formatted files must be corrected within 24 hours. Errors in entries submitted electronically are the responsibility of the applicant. Electronic mail confirmation will be sent upon receipt of file. If using the enclosed

Entry Form, the form will serve as proof of entry. The legal name and current USA Swimming Registration Number for each swimmer must be listed on the Entry Form, including "relay-only" swimmers. The Master Entry Form must accompany the proof of entries and a current USA Swimming Member must sign the form.
