

COMPETITIVE & NATIONAL TRACK agenda for September 22

Team Suit Sizing & Apparel (available anytime between 9:00am-4:00pm)

Our official swim team vendor, Augusta Swim Supply, will be on hand with all sizes of our YCF team suit for swimmers to try on and find their proper fit before ordering their suit for this season. Additional apparel and accessories will also be available for purchase. Even if you cannot attend the swim meets, feel free to stop by anytime between 9:00am-4:00pm to try before you buy!

IMPORTANT NOTE: The women's family locker room located on pool deck is currently closed for renovation; however, we have temporarily converted BOTH adult locker rooms in the back hallway behind the diving well into girls/women's locker rooms. Therefore all boys/men will need to only use the men's family locker room located on pool deck and all girls/women will need to use either of the locker rooms in the back hallway. We apologize for the inconvenience and please make your swimmers aware.
