

Hello Area 2 meet attendees!

A handful of important FYI's from the meet host as we go into the meet this weekend!

- **Warm Up** - We have been assigned to warm up from 7:00-7:40am BOTH days of the meet in lanes 10-17, so it is even more important than usual that your swimmer be on deck, in their suit and ready to go by 6:50am each day. Coaches will give last minutes instructions, updates and warm up instructions at this time too.
- **Daily Apparel** - All sites should have received their team apparel bags this week, (and if not, ask your coach)... we are going to have all swimmers and coaches wear their **BLUE** team t-shirt on Saturday and their **BLACK** team t-shirt on Sunday. Robyn will also be at the meet both mornings, so swimmers who were just registered this week will be able to collect their bags from her, (FYI).
- **Heat sheets** - Heat sheets will NOT be available on site and need to be printed on your own... they are available on our team website.
- **Parking** - Event parking for coaches and participants will be available in the parking lots directly to the east of the pool and in both soccer field parking lots behind the pool. Handicap parking is available in the reserved parking lot at the south end of the aquatic facility. A parking attendant will be available to direct you to the proper lot. Please see the Parking Map for additional information.
- **Pool Entry** - Please access the pool deck through the entry gate located outside of the building at the south entrance of the pool deck, adjacent to the back parking lot. The front gate located at the north end of the pool near the front parking lot of the facility will be locked and not available for entry. ALL SWIMMERS, COACHES, PARENTS AND SPECTATORS MUST USE THE DOUBLE GATE LOCATED AT THE SOUTH END OF THE POOL. Swim meet participants will not be permitted to enter through the fitness center entrance.
- **Tents** - Tents will not be permitted inside the fence of the aquatic facility. Tents will be permitted outside of the fence in the grass area and the parking lot behind the pool deck.

Swim fast YCF and have a great meet!
