

Hello CAT meet attendees –

There has been a handful of recent updates the past 24 hours as this meet is (very) big but also very fast... over 1100 swimmers will be participating in this meet and they will now be using two courses, one for boys and one for girls. The psych sheet has been posted to ycfswimming.org.

There will be no warm up assignments for this meet, **which makes it even more essential than normal that all YCF swimmers are on deck at least 10 minutes BEFORE the start of warm up so we have adequate space for our swimmers to warm up.** Warm up times have also been adjusted and are listed below:

Friday 13&Over PRELIMS – 7:00am warm up / 8:00am start
Friday 11&Under BOYS PRELIMS – 10:00am warm up / 11:00am start

Reminder that they will bring back the top 10 swimmers in each age group and the top 20 swimmers in the open/senior category for Finals. Per the entry sign up that you agreed to, all YCF swimmers who qualify for Finals will be expected to attend the evening session.

Parking for swim meet patrons should only be in the West lot, Field lot and Salvation Army lot, (see attached map for more details).

The host team is asking for anyone willing and able to serve as a volunteer timer to consider working a session due to the large size of the meet. Those interested can check in at the beginning of each session. A reminder that this meet will have a closed pool deck to only USA Swimming registered swimmers, coaches, officials and assigned volunteers per USA Swimming SafeStart and liability rules.

Live meet results will be available on the Meet Mobil app and (delayed) meet results will be available at fastswimresults.com.

Have fun, swim fast and go YCF!
